Initial Treatment _____

Follow-Up Treatment _____

HOW TO PREPARE FOR A FLEA TREATMENT

People and pets need to vacate for four (4) hours after treatment is completed

PRIOR TO TREATMENT:

- ☐ **Remove all small items from floors**
 - e.g. Under the beds, behind or under couches, closet floors.
 - Pet food must be removed from the floor.
- ☐ **Move items away from walls**
 - All items must be moved a minimum of six (6) inches away from walls throughout the entire home.
 - All closets/mechanical rooms must have access along the baseboard (area where the wall meets the floor).
 - Do not stack items on couches or beds as they will be treated and may need to be moved by our technicians.
 - Heavy furniture and built-in cabinets may be left in place.
- ☐ **Launder bed linens and pet bedding**
 - All linens currently on beds and pet bedding must be laundered on hot settings and dried on the high heat setting.
- ☐ **Pets must be treated**
 - All pets within the home must be treated with a flea control measure (NOT supplied by 1st Pest Control™).
- ☐ **Thoroughly vacuum the unit.**
 - All carpets and floors must be vacuumed.
 - Vacuum the cracks in lather or wool covered furniture and the back side of throw rugs and Persian style carpets (if possible).
 - Couches, chairs or other areas pets frequent should be vacuumed as well.

POST-TREATMENT:

- ☐ **Thoroughly vacuum the unit**
 - Continue to vacuum all carpeted areas, rugs, couches and chairs DAILY for one (1) week after treatment has been completed.
 - Vacuuming will stimulate fleas to emerge from the pupal stage and make contact with the treated areas.
- ☐ **Return all contents back to their original place**

SAFETY INFORMATION:

- ☐ **All people and pets must vacate for a minimum of FOUR (4) HOURS**
 - People with allergies, respiratory issues, pregnant or nursing women or children under two (2) years must vacate EIGHT (8) to TWELVE (12) HOURS OR OVERNIGHT.
- ☐ **We will be applying:**
 - Dragnet (permethrin 0.5% PCP 24175) and Precor EC (methoprene 1.2% PCP 21573)
- ☐ **Please ventilate for ten (10) minutes upon re-entry and avoid touching treated areas for as long as possible**
- ☐ **In an emergency, contact POISON CONTROL at 604-682-5050 or 1800-567-8911**

ADDITIONAL INFORMATION:

- ☐ **Do not steam clean carpet, furniture or wash baseboards for thirty (30) days after treatment**
 - steam cleaning, washing or mopping of these areas will render our treatment ineffective.
- ☐ **Additional activity after treatment**
 - You may experience activity for up to three (3) weeks after the initial treatment. If activity continues into the fourth week, a follow-up treatment may be required.

IF THE ABOVE IS NOT COMPLETED IT MAY BE IMPOSSIBLE TO ELIMINATE THE PROBLEM
